FRIED ZUCCHINI 9

¾ of a pound of crispy Italian breaded zucchini. Where were these when Mom was making you eat your veggies? Served with Ranch as nature intended.

PICKLE CHIPS 10

Whoever had the ingenious idea to slice tangy dill pickles and fry them deserves the Nobel Prize. We can only take credit for the yummy Ranch served for dipping.

TENDERS 10

Golden, crispy chicken tenders. Dunk 'em, dip 'em, double-dip if you dare... Chipotle BBQ, Ranch, or whatever sauce speaks to your soul – we've got options. **Add Mojo fries +5**

MOJO FRIES 7

A heaping pile of crispy golden French fries, showered with our signature Mojo seasoning that'll have your taste buds dancing. Served with Ranch and ketchup.

TOASTED RAVIOLI 10

These crispy, cheese-stuffed pasta pockets are the perfect grab after a side-by-side spin through the trees. Served with hot pizza sauce - the perfect dipping partner.

PRETZEL NUGS 9

Salty pretzel bites begging to be washed down with a cold pint. The hardest part is choosing which 2 of the 3 options you want to dip them in:

- Beer cheese
- Creole mustard
- Duck dip (house-made spiced cream cheese)

BEERBQ NACHOS 13

When pizza people make nachos, it gets weird (but yummy)! Our version of this classic consists of fresh tortilla chips, oven-roasted chicken, black beans, yellow peppers, jalapeños, bacon, chipotle BBQ sauce, and the cheese trifecta, (jack, cheddar, and beer cheese). Finished with fresh tomatoes.

CHEESY GARLIC BREAD 11

Not your grandma's garlic bread—this is the ultimate cheesy, buttery, garlic-loaded powerhouse. Goopy cheese melted over crispy, toasted bread. Served with hot pizza sauce for dunking greatness.

BUFFALO BREAD 11 SPICY

Buffalo sauce, melted cheese, secret seasonings and buttery pizza dough—basically the ultimate flavor threesome. Sliced up just right for serious Ranch dunking. Choose Not-So-Hot, Hot, or Way-Too-Hot. (Great for golf cart pit stops).

MUNDS BALLS 13

A glorious mess of savory meatballs smothered in rich, zesty tomato sauce, topped with melted mozzarella, shaved Parmesan, and creamy ricotta. Baked until hot, bubbly, and irresistible. *Warning: highly addictive—pace yourself.*

BUFFALO CHICKEN DIP 11

Think Buffalo wings spiked with cream cheese, jack cheese, cheddar cheese and shaved Parm. Served with fresh-made tortilla chips for dipping. You don't have to wait until the next Super Bowl party for this winner!
